## Cost

Our school accepts that the total initial cost of becoming a SENte Centre is £3000<sup>+VAT</sup> for the software and support material. We understand that:

- we will receive a full site licence for the materials supplied to accompany the course *Using ICT to Support Learning: SEN*
- we will receive a payment of £75 per member of staff trained and certificated from external institutions
- we will be provided with further tutor training and a full set of tutor materials
- a bonus of £250 will be paid if we successfully train and certificate a total of 20 staff from other schools within 12 months of becoming a Centre.
- a payment of up to £750 is available to support the training of internal staff

- We wish to pay using eLearning Credits
- A cheque for £3000<sup>+VAT</sup> is enclosed
- Please invoice the school
